NT-509 FS

Fashion Speaker (NT-509 FS)

The Nova NT-509 FS is a premium fashion speaker that combines powerful audio performance with elegant, space-saving design. Featuring a remarkably slim 40mm profile housed in a durable HIPS cabinet weighing just 1kg, this speaker delivers impressive 200W power output at 4Ω impedance. With a frequency response of 120Hz-20kHz and 90dB sensitivity, it produces clear, balanced sound suitable for both music and voice reproduction. The speaker's ultra-thin 275x185x40mm dimensions allow for discreet wall-mounting or seamless integration into modern interiors. Offering 70V/100V line voltage compatibility, it's ideal for high-end residential and commercial installations where space constraints meet demanding audio requirements. Perfect for luxury homes, boutique hotels, and executive offices, the NT-509 FS represents the perfect marriage of sophisticated design and professional-grade audio performance in a remarkably compact form factor.
